Re: Mr. William Kwok, ALM

Mr. William Kwok was my student in the Masters Program in Liberal Arts. His contribution to my class was outstanding, earning him the respect of his peers. His Master's Thesis, China's fight against corruption in the contemporary period, is a valuable addition to our understanding of this important subject. Mr. Kwok is well prepared to do commendable work in the field of East Asian Studies.

To devote himself to teaching Taekwondo is a laudable decision. That great school of self-discipline, philosophy and martial arts is a jewel of the East Asian tradition. Mr. Kwok has the insight to recognize its full significance and the determination to help his students do so.

I have confidence that Mr. Kwok will be a credit to his *alma mater* in whatever profession he undertakes.

Yours sincerely,
